

6th-8th grade students

In grades 6, 7 and 8 we use the ukulele as a way to learn our musical skills in general music class. All students get to learn! We have ukuleles for students to use if they want to share in the classroom, but these do not go home for practice. Many students have asked about purchasing a ukulele so that they can have their own and take it home next year for practice as well. I have sent home information about purchasing a ukulele through Second Wind.

These Order forms are due by May 15.

This is *not* mandatory, just a courtesy for you in case your child has expressed interest in purchasing a ukulele of their own.

I have also had several students ask if they could take ukulele lessons over the summer! Yes! I will be teaching lessons in the music room this summer. I plan to be available all day on Fridays, but might be able to make a different day work if needed. My schedule is starting to fill up so if you are interested please send in the form below as soon as possible. I am scheduling students on a "first come first served" basis for requested times of day. If you choose to pay for the summer up front I will give a discount on tuition.

We hope you have a great summer!!!

Student Name _____ Current Homeroom _____

___ yes! Please sign me up for a summer lesson on the ukulele.

I would like a small group lesson (groups of 2 or 3)
at \$10 per/person half hour lesson. _____

I would like to have a lesson with _____
(you do not need to request a lesson partner, these will be
assigned if not preference)
