

BEWARE OF E-MAIL CLAIMING TO BE FR. MIKE!!!

Over the past week we have had several staff members of St. Michael the Archangel receive emails requesting assistance from someone purporting to be me – Fr. Mike Zacharias. This has not only happened here at St. Michael's but at other parishes in the diocese as well.

If you receive email requesting money, gift cards or financial information from anyone purporting to be me or someone else on our parish or school staff, please pick up the phone and call the parish office to notify us of this occurrence so we can alert others. Do not reply to the email.

Please pass this along and remain diligent in opening and responding to emails. If the parish would ever ask for assistance for a specific cause, the normal way we would receive a donation would be through the Sunday collection or to the Parish Office.

Have a blessed week!

Fr. Mike Zacharias
Pastor
