While this list appears to be very stringent in product brands, we have tested many of the glues, scissors, crayons, etc. Some do not last, others do not work and some are not the basic colors needed as in the case of Rose Art. We suggest you carry this supply list in your purse and look for sales throughout the summer. We do know that Staples, Walmart, and other stores will offer discounts on the items. The eraser and scissors should last several years. The folder will probably need to be replaced mid year. Please put names on all supplies so that lost items can be returned.
