WHERE DO I ENTER FOR CHRISTMAS PROGRAMS?

Family members coming for the **preschool, KR, and K** shows during the day should enter at the gym doors. We will unlock doors 20 minutes before the program begins and lock them at the start of the show. If you will be late, use the front school entrance.

The gym doors will also be used for the evening performances. Doors will be unlocked 30 minutes before the evening performances.

Our first Student Council Out of Uniform Day is this Thursday! Students can pay \$1.00 to participate. Show off your favorite sports teams by wearing a jersey this month (although not mandatory). Please be sure to follow the dress code that was emailed out yesterday for out of uniform days.

Don't forget about the Shopping for Dollars contest running through December 17th! The grade level with the highest amount ordered will win a grade level party of their choice!
